17 March 1956

STAT

MEMORANDUM TO: [REDACTED]

THRU : Director of Operations

SUBJECT : Utilization of Detachment "B" Personnel

1. With reference to your memorandum 8 March 1956, subject as above, I generally concur in the action indicated in your memorandum. Specifically with regard to your recommendations in paragraph 2a., Colonel Gibbs and Mr. Bissell will make a final decision on the procurement of a T-33 for use in Project Headquarters.

2. Re paragraph 2b., the study is approved. Recommend that you proceed immediately to procure materials and prepare a briefing on the physical geography of Eurasia.

3. Re paragraph 2c., this schedule is approved. Recommend that request for visit to Watertown be submitted on an individual basis.

4. With regard to your train 25 to 30 March, I recommend that this be delayed until [REDACTED] and party return from London.

5. Paragraph 2d. Concur. Suggest that you obtain this material from the Purchasing and Contracting Officer.
